American Board of Laser Surgery  
American Board of Otolaryngology/Head & neck  
Surgery

Dr. Louis DeJoseph is a Triple Board-Certified Facial Plastic Surgeon who leads a team of experts at Premier Image Cosmetic & Laser Surgery. He is not just an expert surgeon, he is a motivator, a true leader with the talent to make you feel beautiful and young without even using a scalpel. DeJoseph is the creator of the QT Mini Facelift™. The QT Mini Facelift™ is the perfect solution for those not ready for a full-scaled facelift. The QT Mini Facelift™ requires smaller and fewer incisions, reducing a patient's downtime and cost. Dr. DeJoseph is an international trainer, lecturer, author and thought leader for laser treatments, facial surgery and injectables. Dr. DeJoseph is also the creator of the VUE™ Volume Under Eye enhancement. This procedure is designed to rejuvenate the area under the eyes without having to go under the knife. This revolutionary procedure is non-invasive, in-office and requires minimal to no downtime. The results from this procedure can last from a year up to two and a half years. If you are looking for true results, come see Dr. DeJoseph and his team at Premier Image. They will take care of you from head to toe!

## BOARD CERTIFIED

Marc Klein  
MD

American Board of Plastic Surgery

Meet Dr. Marc Klein who heads up all things body at Premier Image Cosmetic & Laser Surgery. Dr. Klein is a skilled general plastic surgeon who has perfected his technique by focusing on the body. Dr. Klein and his Patient Advocate, Angel Maynard, have a combined total of over 25 years of experience in helping body patients reach their goals. After suffering from serious burns as a child and later experiencing plastic surgery, Dr. Klein developed a passion for helping others achieve their goals and improve their self-image. He states, "I want to give others the gift of plastic surgery and show them the same compassion and thoughtfulness that was shown to me. I know from my own personal experience that looking and feeling our best has a direct effect on how we interact in social and business settings." Having performed over 10,000 surgeries, Dr. Klein likes to think of himself as his patients' partner in achieving beautiful results, and is committed to finding a solution that's right for the patient. He thoroughly enjoys watching patients leave his office with a renewed sense of confidence and well-being. He says, "That's what being a surgeon is all about."
