

# LOUIS M. DEJOSEPH, MD

## PREMIER IMAGE COSMETIC AND LASER SURGERY

Louis M. DeJoseph, MD or "Dr. D" as he prefers, performs an average of 160 QT™ Face and Neck Lifts, hundreds of facial rejuvenation procedures and thousands of injectable appointments each year. Ask anyone & you'll be told Dr.D is THE only guy to see.

"I look at every patient as my wife, sister or mother and think 'Is this the best solution?' "Results must exceed a patient's expectation and results must be natural." Dr. D's goal is to establish a bond right from the start. He is loyal to his patients and it shows: 95% of surgeries performed by Dr. DeJoseph are a result of patient referrals. Louis DeJoseph, MD is currently booked out for 3-4 months for a consultation.

*"Giving a person back their youthful appearance with facial rejuvenation or correcting a defect from trauma or hereditary causes is a privilege."*

Dr. D is Triple Board Certified and operates 1 of 41 American Academy of Facial Plastic and Reconstructive Surgery Fellowships in the nation, and the only one in the state of Georgia.

MODERN LUXURY SPOTLIGHT

## PAUL P. DARAEI, MD

### PREMIER IMAGE COSMETIC AND LASER SURGERY

Dr. Paul Daraei is Atlanta's nose guy! Dr. Paul is the newest and "shiniest" addition to Premier Image. Leading the cosmetic rhinoplasty and hair restoration departments, he prides himself on attention to detail and is meticulous in his collaborative approach in problem solving with our patients.

"I just want patients to feel confident and be a better version of their natural self. I think about my wife, how beautiful she is and how I would not want her to come home looking any different. This is the approach I take with my patients. Those patients who lean a bit radical, well... I tend to not take those cases. It is important for everyone to have realistic expectations."

*"Dr. Daraei prides himself on attention to detail and is meticulous in his collaborative approach."*

Paul P. Daraei, MD is board eligible with the American Board of Otolaryngology-Head and Neck Surgery and the American Academy of Facial Plastic and Reconstructive Surgery.
