PAUL DARAEI, M.D.

Premier Image Cosmetic &
Laser Surgery

Leading the cosmetic Rhinoplasty Department at Premier Image Cosmetic & Laser Surgery is Paul Daraei, M.D. Dr. Paul was handpicked by American Academy Facial Plastic & Reconstructive Surgery Fellowship Director, Dr. Louis DeJoseph, to join Premier's team of experts earlier this year. Considering Dr. Daraei's three-year affiliation with Dr. DeJoseph, solid results, personable bedside manner and Dr. Paul's double-board eligibility, it is evident that he is an excellent addition to the Premier Image team. Dr. Paul Daraei has quickly become Atlanta's Nose Guy! The next time you are in the office make sure you ask about the newly trademarked QT Rhinoplasty™.

In addition to Dr. Daraei's success in the rhinoplasty arena, Dr. Daraei has premiered great success with Platelet Rich Plasma (PRP) therapy for the hair - a truly innovated approach for a lunchtime hair rejuvenation treatment. In addition to Dr. Paul's expertise, he will also be seeing new patients interested in minimally invasive face and neck procedures, otoplasty, browlift, lip/chin implants, injectables, liposuction, scar revision, earlobe repair and laser surgery to name a few.
